If you would like to request CLE's and did not provide your bar number during registration, please email your bar number to education@spencerfane.com. Please allow 7-21 days to process CLE credits. While sessions are recorded and available for 30 days, many states have restrictions regarding on-demand sessions. Our recordings do not meet all state requirements. To receive credits for on-demand viewing would require self-submission to your state bar and thorough understanding of that state's requirements.
